Wall Mount Double Section Cabinets with Glass Door

*Images are for representative purposes only

Product Description:

CTS Wall Mount Double Section Network Cabinets are designed for efficient, secure, and space-saving network equipment management in environments with limited floor space. The two-section design allows for easy access to both the front and rear of mounted devices, making it ideal for small to medium-sized networks and surveillance systems.

Standards:

EIA-310-D ASTM B117-19 IEC 60297
